Wetherby in Support of the Elderly

Wetherby in Support of the Elderly's **'Send A Smile'** scheme helps to cut feelings of isolation and loneliness by asking people to spare 10 minutes to send an older person some handmade post.

It couldn't be easier to get involved

Step one:

make a card, draw a picture or write a letter to make an older person smile (keep text large if you can)

Step two:

add your name if you want (but no personal details please), pop it in an envelope and send it to us using the address below*

Step three:

sit back and relax knowing your message will be forwarded on to an older person in your area

Send your post to:
